## NEW.....Spiritual Book Study Group

For the past few years, many people have requested that we offer a study group for Spiritual books.....well as Spirit will have it, recently this lovely lady Trish came in looking for a new place for her group to meet....

The group has met in Oro Valley for many years and is currently enjoying the hospitality of Spirit's Child. Over the years, they have studied many books such as; Eckhart Tolle, Joel S. Goldsmith, Ernest Holmes, and don Miguel Ruiz, as well as many others. Gary Zukav's "Seat of the Soul" is the group's current selection. The meeting's center on reading from the book, interspersed with questions, comments and open discussion. Meetings begin with a silent meditation, followed by the reading. Newcomers are welcome to come and join in at any time. Wherever they are in the book is a "perfect" place for you to join them!

*Days:* Saturdays

(most Saturdays, because of holidays, please check the calendar)

## Tony Redhouse Performs at SpiritsChild!

In Native American tradition, ceremony is practiced to restore personal balance in our lives. When the mental, physical, spiritual and emotional aspects of our being are each healthy and united, we experience healing and wholeness. We can then live in a state of peaceful bliss and open our hearts to "Soar like an eagle" to our highest good. Tony Redhouse creates a personal ceremony, eloquently using the most ancient forms of human expression: the voice, the drum and flute, to guide you on a meditative journey around the Sacred Circle of your life.

Tony Redhouse has served as a traditional Native American practitioner & consultant to Native American communities and behavioral health organizations. He is a visual artist, Grammy nominated recording artist, inspirational speaker, spiritual teacher, hoop and eagle dancer. He uses Native American art, dance and music to inspire and heal lives.

## Holiday Pendulum Collection Made Especially for SpiritsChild

Local artist and pendulum-maker Patricia De Somma has created a special Holiday Collection for Spiritschild. Inspired by colors of the season combined with her own intuitive interpretation of colors of Archangels Michael (cobalt/blue), Gabriel (sea green), Raphael (emerald green and gold) and Uriel (purple), her multi-beaded, hand-wrapped designs include pendulums, earrings, bracelets and pendulum necklaces, (shown). Each piece is carefully crafted with a mindful focus of the stone energies and colors involved, even in the shapes and combination of beads. What's unique about her pendulum necklaces, besides being beautiful, eye-catching adornments, is how easily you have your pendulum at hand

- simply unhitch the front toggle and there you have it!

Though her love for pendulums started as a child, she only started making them about 8 years ago, when the creative side she'd tucked away for many years would be still no more. Now, her pendulums can be found nationwide, in Canada, Japan, England and other far away lands.

With roots in New Jersey, she spent 25 years in southern California, by the ocean. Later, during the late 80's thru 90's, she explored the pacific northwest, and her adventurous side, by way of road-repping various artists, bringing their creations to metaphysical store buyers. Now, she shares her southeast side Tucson home and studio with the love of her life, Alan, and the kitty who showed up at their doorsteps, now affectionately known as King.

## WINTER SOLSTICE CELEBRATION

### Fun, Ceremony, Creation

The Winter Solstice on December 21 at 10:47 am is referred to as "the moment the sun stands still" during the day with the shortest amount of sunlight. Join this group at Spirit's Child on the day before the Solstice to bring warmth, light, and cheerfulness into the "dark" time of the year.

The sacredness of this time brings an opportunity to go into our own stillness inside, reflect upon our choices, and plan our own expansion of light into our lives. We will use ceremony, movement, profound healing energies, and personal expression to clear our past and open to a brand new future. Bring a favorite object to symbolize your future.
